

ISR-FABEL DATASET USER AGREEMENT

ISR-FABEL may be used for non-commercial research purposes only. To obtain a copy of the database, please complete the following agreement and return it to: `anacris@isr.uc.pt`

If you are a student, a faculty member must sign or co-sign the agreement.

Once the signed agreement is received and approved, you will be provided with instructions to access the dataset. The dataset remains the property of Institute of Systems and Robotics, University of Coimbra. Use is subject to the following terms. For questions, please contact Dr. Ana Lopes at the address above.

Terms of Use

By signing this agreement, you agree:

- To cite the following publications in any paper of yours or your collaborators that makes use of this dataset:
 - B. Ribeiro, A. Lopes, C. Carona and U. J. Nunes, "ISR-FABEL: A Landmark-Based Dataset and Multimodal Emotion Recognition Framework for Child-Robot Interaction," in IEEE Access, doi: 10.1109/ACCESS.2025.3607148.
 - Leitão, C., Lopes, A., Ribeiro, B., Nunes, U., Carona, C. Emotional effects of a brief child-robot interaction to teach school-aged children a relaxation exercise: An exploratory pre-post study, Current Psychology. Accepted for publication on September 1st, 2025.
- To use the dataset only for non-commercial research purposes.
- Not to distribute any portion of the dataset to third parties.
